Always Interesting.

TEN CENTS A WEEK.

LINGAFELTER CASE CALLED

This Afternoon Before Judge
J. T. Maxwell

A BIG CROWD WAS PRESENT

STATE WANTED CASE OF ROBERT C.
TRIED FIRST

To This Defense Objected But the
Objection Was Overruled as Was
a Motion for Change of Venue.

The R. C. Lingafelter forgery case was called at 1 o'clock Monday afternoon before Judge John T. Maxwell of Holmes county. The new court room was crowded.

The State is represented by James R. Fitzgibbon, while Smythe & Smythe of Newark and Frank V. Owen of Mt. Vernon appear for the defendants.

Quite a lengthy argument ensued between the attorneys for the defense and the prosecutor regarding the priority of the cases of James T. Lingafelter and Robert C. Lingafelter. The prosecutor desired Robert C. Lingafelter tried first, to which the attorneys for the defense filed an objection on the grounds that in some manner by this means he would take advantage of the prisoner. The objection was overruled by Judge Maxwell.

The defense made a motion for a change of venue, due to popular opinion being against the defendant, caused principally by the newspaper reports of the case. Attorney for defense stated that the campaign of the prosecuting attorney was "conducted at the expense of the Lingafelter family."

Judge Maxwell stated regarding the motion for change of venue, that he did not consider that the opinion in any adjoining counties would be but slightly less against the defendants to warrant a change.

Affidavits were then presented by the defendants that F. G. Warden, Herman Lang, of Cincinnati, and James W. Passman were important witnesses and could not get here.

A large number of witnesses have been subpoenaed by both the State and the defense in the case of the State of Ohio vs. J. F. Lingafelter, charged with forgery, which will come to trial immediately after the conclusion of the case of Ohio vs. Robert C. Lingafelter, now on trial. Court took a recess at 3 o'clock.

TWO GIRLS.

Victims of Alleged Swindlers, Complain to the Police.

Chicago, Feb. 5.—Two women who had represented themselves to be theatrical agents bound and gagged and then robbed Miss Grace Micks, a college student of Bloomington, Ill. A short time after Miss Micks reported her loss to the police a second victim, Miss Annie McNamara of Kenosha, made a complaint against the men. The alleged swindlers 10 days ago rented a room in a North Side boarding house, giving their names as Edward Roberts and Frank Richmond. By means of advertisements in the newspapers they got into communication with their intended dupes.

COLD WAVE

Strikes the Central West and South. Heavy Snowfall.

Washington, Feb. 5.—Officials of the weather bureau announce that the cold wave is felt from Texas north to Manitoba, and including the states of Kansas, Missouri, Minnesota, Iowa, Wisconsin, upper Michigan, Colorado, Ohio, Indiana, Kentucky, western Tennessee and Arkansas. Although the indications are that the cold weather will extend to the northern half of Florida, the weather bureau officials say that from present indications they do not look for cold enough weather in that section to damage the orange crop.

Some of the low temperatures reported to the weather bureau were the following: At Duluth, Minn., 14 degrees below zero; White River, Canada, 34 below; and zero in various parts of the Michigan peninsula. In portions of Oklahoma the temperature fell to 15 degrees above zero, and at Abilene, Tex., it was 22 degrees above.

WILL PREPARE STRIKE ORDER

Miners' Executive Officers Continue
Deliberations at Indianapolis.

DISCUSS TAX FOR WAR FUND

President Mitchell Leaves For the East to Prepare For the Meeting With the Operators of the Anthracite Field—Secretary Ryan Explains Resolution.

Indianapolis, Feb. 5.—At the headquarters of the United Mine Workers it was stated that before adjournment of the present session of the executive board Secretary-Treasurer E. B. Wilson will be instructed to prepare a formal strike order, effective April 1, in order to avoid the necessity of re-assembling the board after the adjournment of the present session. The question of the per capita tax of \$1 for the establishment of a national defense fund, which was informally discussed just before the adjournment of the board meeting Saturday evening, is expected to be the first subject taken up when that body resumes its meeting.

As all of the members of the board are anxious to depart for their homes, an effort will be made to adjourn the meeting some time today. President Mitchell will leave immediately for the east to prepare for the meeting with the operators of the anthracite field Feb. 15. An interesting situation in this connection has come about as a result of the resolution passed by the national convention providing that no district shall sign any wage agreement until all have obtained satisfactory settlements.

This resolution has been definitely explained by W. D. Ryan, secretary and treasurer of the Illinois district, who proposed it; by Vice President Tom L. Lewis, who spoke in favor of its passage, and by President Mitchell, who placed the motion before the convention, to include "every district under the jurisdiction of the United Mine Workers of America, whether anthracite, bituminous or block coal regions, in United States and Canada." Under this ruling the wage scale committee appointed by the anthracite miners in their Shamokin convention early in December will have no power to sign a contract, even if their demands are conceded by the anthracite operators, unless the miners of all other districts effect an agreement with their employers.

FRIENDS SEEKING A RECONCILIATION

Between Count and Countess De Castellane—A Duel May Be Fought. Countess Given Children.

Paris, Feb. 5.—Friends of Countess Anna Gould De Castellane and Count Boni De Castellane, are making strenuous efforts to affect a reconciliation. It is now known that the society woman whose name was connected with the affair is a baroness of German origin, distant connected with the count. There is talk of a duel between the count and the husband of the baroness, a prominent financier and baron. It is said the count is also found to have maintained relations with another woman, said to be an American woman married to a French baron.

A decree authorizing the Countess De Castellane to take provisional charge of the children was granted by President Ditté of the first civil court.

SHE LEFT

The Grave of Her Husband for the Nuptial Parlor—Widow Says She Needed Comfort.

Swainsboro, Ga., Feb. 5.—Mrs. Alice Sewell, of this place, has broken the record in the game of being off with the old love and on with the new. Last Friday Mrs. Sewell's husband, who was one of the wealthiest men in this section of the state, died, leaving all his property to the widow. Sunday afternoon Mr. Sewell was buried. The widow attended in becoming weeds and showed considerable emotion.

Attending the funeral was Robert S. McDaniel, who had been in love with Mrs. Sewell before her marriage. He accompanied her as she left the grave. Sunday it became known that the couple, after leaving the grave, went to the office of Judge Sutton and were made man and wife. Immediately after the ceremony they left on a wedding trip.

Mrs. Sewell is reported to have said that she needed some one to comfort her, and she knew McDaniel had loved her long.

H. B. Irving, son of the late Sir Henry Irving, signed a contract with the Shuberts to appear in the United States in "Lights Out."

EARLY VOTE ON SHIPPING BILL

Desire of Senator Gallinger and Other Friends of the Proposition.

HOT FIGHT OVER STATEHOOD

Foraker Amendment to Be the Bone of Contention in the Senate—House Continues Railway Rate Discussion. Democratic Caucus and the Dominican Treaty.

Washington, Feb. 5.—Friends in the senate of the shipping bill are hopeful of securing some time during the week an agreement to vote on that measure, and the understanding is that so soon as it is disposed of the statehood bill will succeed it as the unfinished business.

Much interest is manifested in the approaching contest in the senate over the statehood question. Senator Beveridge, who will again have charge of the bill, is hopeful of securing a comparatively early vote, but many of his colleagues fail to agree with him on that point. The supporters of the bill are very strenuous in its advocacy and their opponents are just as determined. It is not generally expected that either side will yield until there is more definite information as to the probable time of vote than can now be secured. The critical point of controversy will be the Foraker amendment, giving the Arizona people the privilege of voting on the question of admission. It is understood that the Democratic senators will be almost a unit in support of this amendment and that it will also secure a number of Republican votes. Just how many Republican supporters there may be is not known, and until there is definite information on that point the opponents of the bill will not agree to let a vote be taken.

Democratic senators perfected an organization to defeat the Santo Domingo treaty and place the minority in a position to compel a strict party vote on other questions likely to arise during the present session. Two resolutions were adopted which, the Democrats assert, not only will dispose of the Dominican treaty, but will furnish the precedent for demanding a united party vote on all questions that may be considered partisan in character, when two-thirds of the Democratic senators so decide.

Mr. Hepburn, in charge of the rate bill in the house, is unable to see the end of debate on the measure. Under the special order it has the right of way until disposed of. The very first day of the debate, which began last Tuesday, developed the desire of many members to make speeches. Mr. Hepburn has a long list of Republicans who are anxious to be heard, and Mr. Adamson, controlling the time on the minority side, says there are 50 Democrats who wish to be heard in favor of the measure. Speaker Cannon is inclined to let the debate run, and estimates that it will be Wednesday or Thursday before the last speech is delivered and the vote recorded on the measure.

JILTED LOVER

Arrested on the Day Appointed for the Marriage for Taking the Engagement Ring.

Marion, Ind., Feb. 5.—Lawrence Van Briggie was not only jilted Sunday, on the eve of his marriage with Miss Stella Carson, the 18 year old daughter of M. A. Carson, but he was also arrested on the charge of stealing the engagement ring which he gave her.

Miss Carson was formerly the betrothed of Arthur Ford of Richmond. A year ago the couple quarreled and separated. Then Van Briggie came on the scene, proposed and was accepted. He gave her many presents, including three rings. The marriage was set for Monday night.

Sunday Arthur Ford returned and reconquered the heart of Miss Carson. Van Briggie was jilted. As she left the room where the parting scene occurred he saw his three rings in a jewel box and took them. As he was about to return to his home in Tipton he was arrested on a charge of larceny preferred by Miss Carson. At the station he told his story, and when he consented to return all but the engagement ring he was allowed his freedom.

Miss Carson was married to Arthur Ford.

Priest and Students Drown.

Peru, Ill., Feb. 5.—Father Gilbert Simon lost his life here after saving three students from drowning. Three other students, Cass Bain of Champaign, Ill.; Charles Reuter of Chicago and Frank Christie of St. Louis, in attendance at St. Bede college, a Catholic school, near here, were drowned. Father Gilbert was a member of the faculty. The students had been skating and went through the ice.

JEROME SCANS THE TESTIMONY

Grand Jury Investigation of Insurance Cases Not Unlikely.

COMMITTEE DRAFTS REPORT

Legislative Inquisition Will Recommend Important Changes in the Present Laws—Publicity of All Insurance Transactions and Other Reforms Desired.

New York, Feb. 5.—The legislative insurance investigation committee expects to practically complete the labor of framing its 7,000 word report this week. A meeting will be held in this city on Wednesday or Thursday, at which a rough draft of the report will be read to the full committee. It is regarded as unlikely that there will be a minority report. District Attorney Jerome for a week has been at his country home at Lakeville, Conn., going over the testimony brought out at the investigation. He is expected soon at his office, and some statement as to the possibility of a grand jury investigation is looked for. The case of the Mutual Reserve Life Insurance company has been investigated by two of his assistants.

The Armstrong committee, in its report, will ask the legislature to pass laws that will reform the system; the standard forms of policies will be changed, if the recommendations are adopted, and the dividends must be paid annually, and the death claims settled within 30 days after proof of death is given. The widest publicity of insurance transactions is urged, and it is recommended that life insurance companies be forbidden to control subsidiary companies. Universal mutualization of companies is advised and encouraged, and provisions made for converting stock companies.

Other reforms urged are: Agents placed under strict supervision and their compensation must be either full salary or commission, mixed compensation being forbidden. State supervision of absolute character and publicity of all accounts, expenses and holdings of every nature.

FORGERIES OF BROKER L. W. PRIOR

Will Amount to Nearly a Quarter of a Million, Including \$200,000 Canton Water Works Bonds.

Cleveland, Feb. 5.—The forgeries of Broker L. W. Prior, who suicided recently, amount to the stupendous sum of \$1,200,000 instead of \$1,000,000. An additional \$200,000 in forged Canton water works extension bonds has been discovered by City Auditor A. A. Ashbrook, of Canton. The Canton forgeries now amount to \$500,000.

Ashbrook announced this after a conference here with attorneys representing the holders of the spurious bonds. At the conference also were several of the officers of institutions which loaned Prior money on the forged bonds.

JOSEPH'S EXAMPLE

Worthy of Emulation by Young Men Says John D. Rockefeller, Jr., on Sunday.

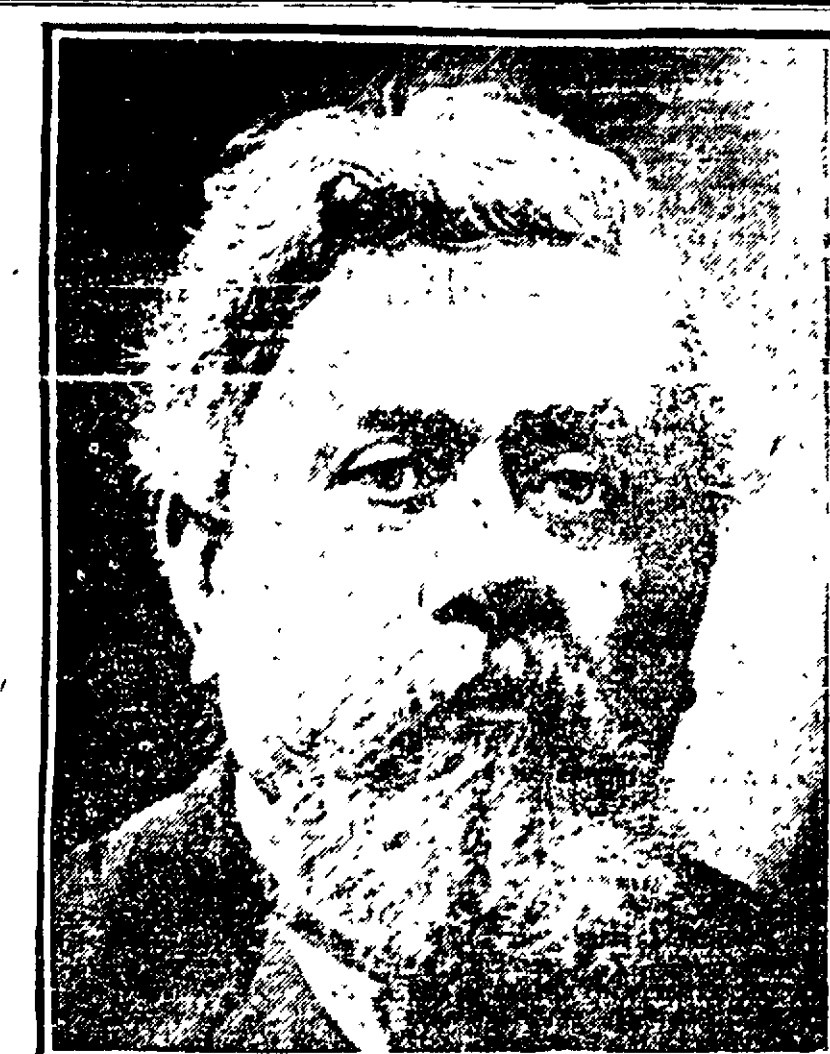

New York, Feb. 5.—John D. Rockefeller Jr., discussed the subject of temptation before his Bible class in the Fifth Avenue Baptist church on Sunday, taking Joseph as an example. He said Joseph was a splendid type of young business man, and advised that he be emulated in thrift and ability to resist temptation. He added:

"Sometimes you and I think it does not pay to do right, but in the long run it does pay to do right. There is not anything else in the world that pays. To maintain a spotless life, to be able to look your fellowmen in the eye, is the one thing worth aiming for."

Mr. Rockefeller is working hard to increase the membership of his class to the thousand mark. He has arranged for social meetings this week and for social features each Sunday to attract young men. He is more enthusiastic now than ever in the work of the SS, and devotes all his spare time to it.

BRIDGE TRUST GRAFT

Ottawa, Feb. 5.—The first conviction in Ohio of alleged bridge trust graft was secured here today when James T. Adams Jr., of Findlay, representing the Adams Bridge company, pleaded guilty to the indictment against him. Judge Odan fined him \$500 and costs.

THE NEW PRESIDENT OF FRANCE.

Clement Arraud, President of the French Republic, is the son of a poor Gascon notary's clerk and the grand on of a blacksmith. For many years he has been prominent in the assembly, first as deputy and later as senator. He has been a member of several cabinets and was once premier, although he did not serve as a lawyer, very democratic and very rich.

TOLEDO HAS A FIGHT TO ANNUL A CONTRACT

Same Questions Involved as That of the Newark Water Works Injunction Case—Council Cannot Delegate Its Legislative Powers to Board of Public Service.

Toledo, Feb. 5.—Since November 10, 1905, the city has been defendant in the case of Homer T. Yaryan vs. The City of Toledo. Now it will fight about face and fight side by side with Mr. Yaryan against the Norwood Engineering Co. and A. Bentley & Son, to test the legality of litigation plant contracts made by the former board of public service.

The opinion of Mr. Northrup is at variance with that of ex City Solicitor F. G. Denman. When Mr. Yaryan laid his case before Mr. Denman, when the latter was solicitor, the latter told him frankly the contract was perfectly valid and that there was no cause for complaint.

The bone of contention is a contract for the construction of a major portion of the proposed filter plant, involving \$182,327. All efforts of the plaintiffs will be centered in a fight to annul the contract. On the other hand the Norwood company and the sub-contractors, A. Bentley & Sons will do all in their power to make the city live up to its agreement.

A strong point maintained by the plaintiff is the alleged faulty action of the council in turning over its chief powers to the board of service. According to the plaintiff, all the council did was to pass an ordinance limiting the expenditure to \$750,000 in connection with this it may be said that the contracts already let amount to \$753,327. These do not include the conduit, the filtration plant proper and the intake, which will probably cost \$250,000 to \$300,000 additional.

The plaintiff alleges that in addition to the expenses, there may be more, so that the plant, according to the plan, the defendant, will cost \$500,000 or \$1,000,000.

Homer T. Yaryan, the plaintiff, has been very prominent as an anti-graft man.

All the litigation heretofore has been of the skirmish order. The first real battle will be started on Tuesday before Judge Barber in the Common Pleas court.

In giving the power of closing the contracts to the board of service, it is claimed the council acted illegally. As the attorneys for the plaintiff size up the case, the council should have declined all the material questions as to make the contract legally made.

The attorneys explain in detail that the plans and specifications for the construction of the work should have been ordered upon by the council and that its journal should show that the plans were approved by it before it had the power to authorize the service board to make any contracts. Otherwise, in such contract is invalid.

The plaintiff's attorneys claim to have the opinion of the attorney general that this power and duty of the council is legislative and cannot be delegated to the board of service.

WEDDED AT ELIVEN, DIVORCED AT 15. Linn, Feb. 5.—Married when but 15 years of age, on June 20, 1901, at Paulding, O., Mrs. Catherine O. Fowler was divorced here Saturday at the age of 15 years. Her husband is Asa D. Fowler, whose whereabouts are unknown. When placed on the stand the diminutive child wife told of a strenuous life suffered two months, for he brutal night. The judge turned red and said: "Why, little one, how old were you when married?" "Eleven years of age, your honor," came the reply. "Eleven years old? What is your age now?" "I am 15."

Without more ceremony Judge Cunningham granted a divorce, as he said, on any or every ground of the Ohio law, and restored the child to her maiden name of Wagner.

W. W. Campbell a yard brakeman, was killed, and C. F. Cahill, another yard brakeman was fatally injured in the Pennsylvania yards at Columbus, O., by an accident resulting from a cut of cars striking a bumping post.

OHIO MINERS TO BE IN LEAD

Should a General Strike be Ordered

STRIKE CANNOT BE AVERTED

UNLESS OPERATORS ASK FOR ANOTHER CONFERENCE

Or It May be Called by the Civic Federation or Even by President Roosevelt.

Cincinnati, O., Feb. 5.—President William Green and ex-President William Haskins of the Ohio miners returned Saturday night from Indianapolis and yesterday submitted to interviews on the strike situation as it affects Ohio miners. President Green said:

"When the Ohio miners went to Indianapolis, they were determined to ask an advance in wages and stick to it. We think our course justified by the prosperous times, and increased coal consumption. State Mine Inspector Harrison tells us the average mine wage the last year was \$3.60. That is not enough. Since confronted with a strike prospect, I will say the Ohio miners will win or fail with the other states. Our delegates voted unanimously for the increase and will be in the forefront of the fight if the strike comes. The only way a strike can now be averted is by the operators asking for another conference, or it may be asked for them by the civic federation or even President Roosevelt. Unless they take some action we will surely strike. The rank and file of Ohio miners endorsed the Indianapolis stand. They are organized and ready, for we have foreseen trouble for two years and have been preparing for it. Personally I am still optimistic and hope events the next two weeks will avert this national calamity."

Mr. Haskins said:

"From now until the first of April the miners of Ohio will save all the money they can and will work on as usual. We are fairly well prepared for this eventuality, in fact as well as we ever have been in the past or hope to be in the future. I am sanguine of success should it become necessary to order the strike and I am sure the American people will not permit us to lose once it is demonstrated that right and justice are on our side."

WILL ATTEMPT TO DICTATE TO ALICE

Boston, Mass., Feb. 5.—A movement has been started here by national officials of the Woman's Christian Temperance Union to obtain Miss Alice Roosevelt's cooperation to bar wine from her wedding breakfast. Miss Katherine L. Stevenson, president of the Massachusetts branch, has taken up the matter with the national officer, the plan being to get Mrs. L. M. N. Stevens, the national president, to persuade Mr. Roosevelt not to permit the serving of wine on her wedding day.

GOVERNOR

Is Less Nervous Than Last Week, and Improvement Continues Under Massage Treatment.

Columbus, Feb. 5.—Governor Patterson's improvement was continuing today Sunday. He slept well again Saturday night and his appetite continues to improve, both very satisfactory indications. His nervousness is going away and the massage treatment is having its suffering greatly.

Gradually the governor is overcoming his nervousness and getting reconciled to his enforced quietude. With another week of such improvement as has marked the last two days he will be almost ready to take up the cares of official duty.

Mr. Patton will be held to the strict instructions to disregard all worry and put aside all official annoyances. Secretary Hawk will serve as a buffer for all insistent place seekers.

AMUSEMENTS

"The Darling of the Gods," David Belasco's magnificent production of the drama of old Japan, written by himself and John Luther Long, will be the attraction at the Auditorium theatre tonight. All indications point to this engagement being one of the most important events of the local theatrical season. "The Darling of the Gods" is probably the largest of the Belasco productions and its dramatic value has placed it among the plays that will live for all time. The cast that presents the piece this season is notably strong. It is headed by Edith Haskwell and Robert T. Haines, both well known and very popular in Newark. Mr. Haines originated the part of Kara which he still plays, and Miss Haskwell was chosen to succeed Blanche Bates, in the leading female role only after a careful consideration of the abilities of a dozen actresses who would have liked the position. Her choice by Mr. Belasco is an evidence of his opinion of her ability.

The cast which interprets "The Darling of the Gods" numbers nearly 50 persons. It is one of the largest companies ever given to a straight dramatic offering. In a great measure the personnel is the same as that which carried the play through its New York triumphs of nearly 500 performances and which drew crowded houses in St. Louis during the world's fair for 17 weeks. Robert T. Haines continues to play the part of Kara which he originated; Rankin Duvall is still the Tonda-tani of the cast, and Frederick A. Thomson and Alvin Lawrence besides a dozen others still have the parts in which they have earned critical commendation since the play's initial production in Washington. As a result of this long association the ensemble work of the organization has a force that characterizes few companies. "The Darling of the Gods" is without doubt one of the best acted dramas now being offered to the playing public.

THE MARRIAGE OF KITTY.
Jules Murry's excellent company, headed by that clever artist and entertainer, Miss Alice Johnson, is scheduled for appearance in this city presenting "The Marriage of Kitty" at the Auditorium on Thursday, February 8. It is refreshing to chronicle

ALICE JOHNSON.
The coming of such a play and company, as to attend such a performance is well calculated to make one forget all the troubles of a bad day. It is a wholly commendable performance never marred by a single deficiency of detail or performer, a fact for folks who love the hearty laugh that springs from real satire, wit, clean humor and repartee.

ALONG THE KENNEBEC.
"Along the Kennebec" a New England comedy, comes to the Auditorium Saturday, February 10 both matinee and night. The piece is now in its third successful season and has met with popular approval wherever

You Have Rheumatism
Your case may be a little different from that of any one else, and may need different TREATMENT. The same poisonous URIC ACID may cause the pain and suffering in every case, but did it ever occur to you that the treatment suited to your neighbor might not be right for you?

WE GUARANTEE Ath-lo-pho-ros
to remove the URIC ACID in every case. If you have used this remarkable remedy and are not entirely free from your rheumatism, write us a history of your case and we will give you free advice, which, if conscientiously followed is absolutely sure to bring speedy relief and effect a permanent cure. We know we have the best remedy ever offered to sufferers from rheumatic complaints, and if you have reason to believe that your case requires treatment out of the ordinary, we will give you the benefit of our twenty years' experience with the disease, free of cost. Write us to-day.

FOR SALE BY ALL DRUGGISTS.
THE ATHLOPHOROS CO., New Haven, Conn.

presented, and has been used as a text by two ministers in their sermons. The play is full of comedy bits. It is comedy that a girl or woman can laugh at and not blush at the same time. The comic duo scene in the third act between Zeke Dasher and Bundick Tubbs is said to be one scream from start to finish, and five other comedy characters keep the audience in a happy frame of mind. All special scenery is carried for the production, and it is said to be strictly a scenic production from first act to last. Some pleasing singing and character specialties are introduced during the action of the piece, and "Along the Kennebec" sends its audience home, feeling pleased and satisfied that "Along the Kennebec" had been to town.

GIRLS WILL BE GIRLS.
Margaret W. A. Brady is delighted at the way New York received his big musical production, "Girls Will Be Girls," headed by Al Leach and the Three Rosebuds, which recently closed an extended engagement at 14th street theater. The Tribune called it a "novelty" and the World said it was a "jumble of nonsense adorned with pretty girls and festooned with pretty music." Hearst's Journal said "There was a laugh every minute." The Press called it "Bright, girly and glad some." Acton Davies of the Evening Sun, called it "Bright snappy musical comedy," and said that "Al Leach, the new star, scored decisively." The Globe said it was "Brought out with unexampled splendor and success." The conservative Times remarked that "There was a raucy vernacular quality about it all and a vim and intensity of spirits, homeliness of humor, such as comes straight from the American heart and goes directly to it." The Evening Post said "A more enjoyable combination than Mr. Leach and his clever trio has not amused New York this season." The Mail and Express said, "Al Leach must be seen to be appreciated." "Girls will be Girls" will play an engagement here at the Auditorium where, there is no doubt but that the theater will be crowded to its utmost capacity for never did any performance make such a tremendous hit as this production has made every place it has been seen this season.

BLACK PATTI COMING.
The Black Patti Troubadors are coming to town with another swell show. This company has been so in the habit of doing things that a mere announcement of its performance in any city is sufficient to pack the house to the doors. It is one of the most popular and successful road companies in America and it can always be relied upon to give a tip top show. All the specialties are spick brand new this season, and the fun and comedy in the "Looney Dreamland" skit has been augmented by many new laugh provoking sayings and situations. Black Patti appears in a condensed version of Gilbert & Sullivan's tuneful operetta "Pinafore," also in the new plantation pastoral, "Southland Scenes." John Rucker, "The Alabama Blossom" appears in the famous comedy role in "Looney Dreamland," also in the vaudeville olio, which includes several acts by Harry Kration the hoop roller, Chauncey Vor Vain, instrumentalists and Al Watts, the clever mimic.

The wonderful success that came to the first week's showing of the All Star production of the Ohio Vaudeville Circuit has confirmed the management in its judgment that the best is none too good for an appreciative American public and, justified by the hearty good will of the interior cities already in the circuit, the management is going to extend its sphere, confident that the state is full of refined discriminating people, well disposed toward deserving and worthy amusement enterprises.

Plans are maturing to book at least five full companies to cover the state. There is no dearth of talent of the highest order, but hitherto there has been no adequate outlet, owing to the prohibitive expense of booking in the east, and of long distance travel. With the assurance that an attractive show will draw the best element, and with the advantage of short distance communication by means of interurban connection, it is now made possible to bring right to the door of all interior cities of the state, an all star cast, such as is exclusively booked by the Ohio Vaudeville Circuit. The management has faith in the people. The newspapers frankly extol the enterprise, and the detailed announcements to follow will indicate the high standing of the attractions to be offered.

On account of the cordial reception and hearty endorsement of the people of Newark when the Ohio Vaudeville Circuit opened here with their All Star Vaudeville company last Wednesday, the management of the Auditorium theater has contracted with Messrs. Glendon and Folsom for a return engagement on Saturday, February 24, and after then the All Star company will appear at regular intervals here during the balance of the season.

Government engineers are mapping Pacer Sound for mines and torpedo stations. Mine equipment that cost \$500,000 is stored near Fort Ward.

Read the Advocate Want Column.

STATE NEWS

Columbus, O., Feb. 5.—It is probable that the McFadden anti-cigarette bill will be amended in the senate to relate entirely to minors. The bill is in the hands of the judiciary committee and it will be amended without amendment it will be amended on the floor of the senate. There is considerable determined opposition to the bill as it now stands. Out of the state school commissioner's office will come a bill this week which will provide for an extension of the term of the state school commissioner to four years and an increase of his salary from \$2,000 to \$4,000 a year.

Effort is to be made by the friends of the agricultural experiment station at Wooster to have a bill passed this session creating a department of forestry in connection with the station, with power to investigate the possibilities of the various varieties of native woods as to future needs and propagation.

Traction Extension.
Wapakoneta, O., Feb. 5.—Work has been commenced on the preliminary survey for the extension of the Portland and Muncie traction line from Portland, Ind., to Celina, O. Three routes will probably be surveyed. The first will parallel the Lake Erie & Western railroad; the second runs via Fort Recovery through New Corydon, direct to Celina, and the third survey will go via New Corydon and Wabash, O., to Celina. At the latter city the extension will connect with the Western Ohio, and then one can travel on the electric railway by direct route from Indianapolis to Toledo or Cleveland.

Head-End Collision.
Deshler, O., Feb. 5.—The C. H. & D. Detroit limited crashed into the southbound Dayton accommodation at Leipsic, O., injuring a score or more of passengers. The force of the collision completely wedged the two engines together, reducing the southbound engine to a pile of scrap iron. The coaches of the Dayton train were practically reduced to kindling wood, while the mail, baggage and smoker of the Detroit train were telescoped. Of the injured, August Kietzel and wife of Detroit will probably die.

Robbed by Footpads.
Columbus, O., Feb. 5.—W. F. Watkins of New Brighton, Pa., who is visiting this city, was relieved of \$1,500 by highwaymen. Frankie McHugh, the well-known prizefighter of Cincinnati; "Kid" Baxter and Floyd Clarke are held for investigation. While traveling through Wall alley Watkins claims that a party hit him with a billy or knuckles, and he was rendered unconscious. When he regained his senses his money was gone.

Want Age Limit Raised.
Steubenville, O., Feb. 5.—Because of the number of arrests in connection with child labor prosecutions, glass factories in the valley are threatened with a temporary shutdown for lack of employees. A delegation may be sent to Columbus to urge an higher age limit.

Pioneer Physician.
Fremont, O., Feb. 5.—Dr. Robert H. Rice, a pioneer practicing physician and president of the Sandusky County Medical society, died suddenly, aged 70. He was born in Fremont, and was a prominent Mason.

Italians and Hebrews Clash.
Cleveland, O., Feb. 5.—In a battle between 20 or 30 Italians and a like number of Hebrews, several men were injured, two seriously. E. Danesek and Herl Heller were stabbed.

Chamber of Commerce Organized.
Mt. Vernon, Feb. 5.—The chamber of commerce will meet Monday evening when a number of industrial propositions will be considered. The organization was effected last week, and the following officers have been elected: President, Charles C. Jams; vice presidents, Dr. John E. Russell and George Trigg; secretary, D. B. Grubb; treasurer, William A. Ackerman; trustees, Leopold Miambourg and W. P. Bogardus.

Lid on at Terre Haute.
Terre Haute, Ind., Feb. 5.—As the result of a strict enforcement of the Sunday closing law, 37 offenders, including 24 bakers, were arrested here. Hotels, restaurants, drugstores and news stands were the only business houses open. Druggists operated with reduced forces of clerks, the cigar stands were covered and the soda fountain idle. Confectionery stores and cigar stores made no sales, save where the latter places deal in newspapers.

Greene-Gaynor Case.
Savannah, Ga., Feb. 5.—The Greene and Gaynor trial has entered on its fifth week, and the introduction of evidence will be continued. It is expected, however, that the week may see the close of evidence along the particular subject of contracts, which has been followed for the last few days, and that witnesses may be examined touching the character of the work done in the river and harbor improvements. The progress of the trial continues slow and it is not believed to be half over.

Dozen Persons Killed.
Rennes, France, Feb. 5.—All the buildings of the home for the aged in the Faubourg de Paris, kept by the Sisters of the Poor, were destroyed by fire. Nine bodies have been found in the ruins. Three women died from fright. Chaplain Stenon, while attempting to save the inmates of the home, fell and was seriously injured.

A New and Wonderful System of Shorthand.

Mr. Chartier, author of the famous CHARTIER SHORTHAND, will deliver a lecture at the Bliss Business College on South Fourth Street, Monday evening, February 5th, at 7:30, thoroughly demonstrating this marvelous system of writing.

We have adopted CHARTIER'S SHORTHAND. The most wonderful educational discovery of the age.

By virtue of the leadership, state-wide reputation and absolute reliability of the Bliss College we have secured the sole right to teach this marvelous system of rapid writing for all this part of the country.

Chartier's shorthand has been adopted by every leading college that has investigated its wonderful advantages, and the unoccupied territory is being eagerly sought.

Chartier's Shorthand is the most wonderful system of shorthand ever invented. It will eventually drive all other systems out of existence. For the slow, uncertain, complicated, hard-to-learn way of doing anything must as surely give way to the swift, sure, simple, easy-to-learn way as night must give way to day.

But figure it for yourself, compare it with the Pitman, Electric or Gregg systems, for example. These contain hundreds of rules, hundreds of exceptions and thousands of hard-to-learn word-signs and contractions. CHARTIER'S SHORTHAND consists simply of the alphabet and

Ten Simple Rules

That's all. No contractions, no exceptions, no omissions of vowels or consonants, no long or short vowel distinctions, no dots or dashes, no complicated outlines. Few word-signs, in fact, none of the things that have prevented speed and expert work among the many.

CHARTIER'S SHORTHAND, which the Bliss Business College has adopted, which it recommends and which it guarantees, makes it possible for a person who knows nothing about shorthand to become a shorthand writer with a speed of 125 words per minute, on unfamiliar matter in 1-3 the time required in other systems.

Nothing like it. It is new, wonderful and absolutely reliable.

COURT REPORTERS, PROFESSIONAL STENOGRAPHERS AND SHORTHAND INSTRUCTORS, ARE URGED TO ATTEND THIS DEMONSTRATION CLASS MONDAY EVENING, FOR PERSONAL INVESTIGATION OF THE MARVELOUS RESULTS CLAIMED. EVERYBODY INVITED.

PRIEST WRITES TO O. S. U. PRESIDENT

PROTESTING AGAINST SACRILEGE ALLEGED AT CO-ED PROMENADE.

Young Women Masked and Dressed as Nuns Danced With Others Impersonating Devils.

Columbus, O., Feb. 5.—The doings of two girl students of the State university at the seminary "prom" last Tuesday night, at which they appeared masked as nuns, has aroused the ire of the Rev. A. M. Leyden, pastor of St. Francis' Catholic church here, who wrote a letter to President Thompson of the university regarding the case. The seminary "prom" is one of the society events of the year at the university, and it is customary for all students to appear masked. A friendly contest has resulted, and one vies with the other to see who can appear in the most unique and original costume.

At the "prom" last Tuesday night, which was attended by two daughters of Governor Patterson, two young women, whose names have not yet been revealed, appeared dressed as nuns. They danced with young men dressed in the costume of his Satanic majesty, who carried the proverbial pitchforks, and between the dances the girls told their beads and mimicked other religious forms.

A full story of the "prom" got into the daily papers, and when the doings of the two young women, gownned as nuns, were read, a storm of indignation was aroused. This indignation is expressed in the following letter to

SCIENCE PREVENTS BALDNESS.

The Fatal Germ and Its Remedy New Facts of Science.

It is the rarest thing in the world for a man to be necessarily bald. No man whose hair is not dead at the roots, need be bald if he will use Newb's Herpicide, the new scalp antiseptic. Herpicide destroys the germ that cuts the hair off at the root; and cleans the scalp of dandruff and leaves it in a perfectly healthy condition. Mr. Mannett, in the Maryland Block, Butte, Mont., was entirely bald. In less than a month Herpicide had removed the enemies of hair growth, and nature did its work by covering his head with thick hair an inch long, and in six weeks he had a normal suit of hair. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

C. T. Bricker, Special Agent.

President Thompson from rather

Leyden:

"When taking some of your fashionable co-eds to task for their profligacy in the oriental art of puffing the sensuous cigarette, I beg to suggest that you avail yourself of the opportunity to also enlighten the ignorance and correct the taste of the two 'ladies' who disgraced American womanhood at last evening's 'prom' by their deliberate insult to the gentlest and purest of their sex. The press reports tell us that these 'ladies' masqueraded as nuns, danced with red devils, who carried pitchforks, and between dances told their beads. Is this disgusting license to be taken as a sample of university culture and refinement?"

Revival in Philadelphia.

Philadelphia, Feb. 5.—After a four-years' evangelistic campaign which took them through Australasia, India, England, Ireland, Scotland, Wales and Canada, the Rev. Reuben Torrey and Charles M. Alexander, the revivalists, began in this city a three-months' mission which is expected to eclipse any similar movement ever undertaken here. Two large meetings were held in the armory of the Second regiment. So great was the interest that there was an overflow of several thousand persons who were unable to gain admittance to the big building, and hundreds attended services in nearby churches.

Prominent Attorney.

Kington, N. Y., Feb. 5.—Egbert Whittaker, the oldest member of the Ulster county bar, died at Saugerties, aged 90. He studied for the ministry, but decided to become a lawyer upon leaving college. For several years after his admission to the bar he practiced at Des Moines, Ia., where he formed a lifelong friendship with Elihu B. Washburn and Amos Catlin.

For Pack of Fox Hounds.

Worcester, Mass., Feb. 5.—Harry W. Smith has sold his entire pack of fox hounds, 30 in all, and received the highest price ever paid in America at least for a pack of fox hounds, \$2,800. The buyer is John P. Townsend, master of fox hounds of Orange county hunt of Goshen, N. Y.

Laying Double Track.

Panama, Feb. 5.—The double-tracking of the railroad across the isthmus is progressing rapidly, and it is expected that both tracks will be ready for service in July. Steam shovels are being utilized in cutting the side embankments.

Track Walkers Killed.

Morristown, Pa., Feb. 5.—While walking along the Pennsylvania railroad tracks near Spring Mill, Joseph Masal, 28, and Michael Augustine, 35, both of Spring Mill, were struck by a locomotive and instantly killed.

PALACE ROLLER RINK

ABOUT PEOPLE

Miss Emma Williams of North Fifth street is visiting Mrs. Dave Evans of Columbus.

Mrs. J. G. Hamlin was called to Ironton, Ohio, by the serious illness of her mother, Mrs. Lunsford.

George W. Conrad, Newark's representative of The Money Penny-Hammond company of Columbus, is confined to his home with a severe sprained ankle.

Mr. and Mrs. William F. Webb expect to accept their invitation to attend the Roosevelt-Longworth wedding, both being intimate friends of Mr. Longworth.

Col. G. W. Crawford is spending the day at his Oaklawn and Lawn View stock farms, 12 miles east of the city, where he has the farms stocked with horses, being fed for the market.

Thomas B. O'Connor, the popular young barber who for some time has been connected with the A. P. Tenschler barber shop, has accepted a position with D. E. Camp at his stand on West Main street.

Miss Barker, Dean of Shepardson college, Miss Elinor and Miss Benedict of the Conservatory of Music, Misses Pearl Ferguson and Rederie of Granville went to Columbus this afternoon to hear the Pittsburgh Orchestra. They will return tomorrow.

Rankin Duvall of Brownsville, this county, who is well known in this city, where he has many friends, is a member of the "Darling of the Gods" company, which plays at the Auditorium tonight. Quite a number will be in attendance from his old home.

Mr. Hyatt Messmore of Centerville, O., is in this city where he will meet his son L. B. Messmore, quite well known here, and who has been touring the south with the Barlow minstrels. Mr. Messmore left the company in Texas to accept a position in the Palace rink band.

E. M. Bell, our ever popular and accommodating 151, returned Tuesday after a winter's sojourn in Carlsbad, New Mexico. Ed is surely feeling "fine and dandy and the goose hanging high" as he usually puts it, and looks like he would be able to make a piece of whang leather, but more preferably, perhaps, some petite, demure and pre-

possessing damsel.—Utica News Herald.

Mrs. George Mercer of Elwood, Ind., returned to her home today after a pleasant visit with Mrs. William McDaniels of West Main street.

DAMAGED MIRRORS

A. R. Williams of Troy, O., will be at the J. Gleichauf furniture store in this city, February 5th to 9th only, to resilver spotted or damaged mirrors. Eighteen years experience; good work or no pay. Any kind of reference you want. Bell phone, Main 231. Citizens phone 261. Don't forget the date, February 5th to 9th.

ATTEMPTED TREFT OF HORSE BLANKET

Lands Zanesville Youth in City Prison Where he Drew a Fine of \$25 and Costs.

G. W. Streit, a Zanesville youth blew into Newark Sunday night and through his suspicious actions succeeded in getting himself locked up in jail. He made an attempt to get away with a horse belonging to a man named Redman who runs a cigar and confectionary stand on the south side. He was caught in the act and succeeded in getting off. A short time later he was found on West Main street removing the blanket from another horse. Officer Jamison sent the man to the city prison on a charge of being drunk and attempting to steal a horse. Mayor McCleery fined him \$25 and costs.

William Morgan, a laborer employed in the gas fields, was fined \$5 and costs for being drunk and asleep on the street. He was found in a paralyzed condition near the electric light plant. The sudden drop in temperature would have caught Morgan, had he not been sent to the prison and it might have been a case for the coroner instead of the mayor.

Messrs. Barkholtz and McQueston two detectives employed on the Cincinnati police force, arrived in the city Monday morning to testify in the Langstaffer cases. These gentlemen were before the court at Mt. Vernon when R. C. Langstaffer was tried and after offering their testimony were placed under arrest on a charge of perjury. The cases against them were dismissed upon the preliminary hearing.

It appears that there are many female shylocks in London. They are all old women and, as usurers, are said to be much more grasping and merciless than their male colleagues.

Get My Free Book—Rheumatism. It tells about Rheumatism, about the cause, the way to live to avoid and free the system of rheumatic poisons—also in desperate cases—without

OBITUARY

MRS. SARAH BOURNER.
Many people in Newark and Licking county will join with deep regret of the death of Mrs. Orlando Bourner one of Newark's oldest and most highly esteemed citizens, which occurred at her home on Clinton street, on Sunday afternoon, after an illness of some time.

Mrs. Bourner's maiden name was Sarah Cadwallader. She was born in Adams, Delaware county, O., June 1839, and her only living relative, Mrs. Lydia Williams of Baltimore, Maryland.

On December 11, 1856, Miss Cadwallader was married to Mr. Orlando Bourner and from this union three children were born, Mrs. W. W. Acton, deceased, Mr. Cora Laird and Miss Pearl Bourner of this city. The father of the deceased was well known in Newark, having preached in the Welsh churches here.

The deceased had been a faithful and consistent member of the First M. E. church of Newark for the past thirty years, and at the time of her death was the oldest teacher in the Sunday school.

The funeral services will be held in the auditorium of the church on Tuesday afternoon at 2 o'clock, and will be conducted by the pastor, Rev. L. C. Sparks. The interment will be made in Cedar Hill cemetery. The bereaved husband and daughter have the sympathy of all their friends.

WILLIAM SCOTT.
Mrs. D. A. Prior received a message Saturday evening that her nephew, William Scott, son of George Scott, former tailor of Newark, had died in Denver, Colo. Saturday morning, where he had been for nearly two years for his health. The deceased leaves a father, one brother and two sisters. His remains will be brought to Newark and laid by the side of his mother in Cedar Hill cemetery. The funeral arrangements have not yet been made.

MRS. SADIE FRANCIS WILSON.
Mrs. Sadie Francis Wilson of Pine Bluff, Ark., who was brought here on last Saturday by her mother, Mrs. Geo. Francis, accompanied as far as St. Louis by her physician, died at the home of her sister, Mrs. W. O. Gearhart, on South Pine street, Sunday evening at 6 o'clock from the effects of a cancer. The deceased was aged 28 years and was a most estimable young woman.

SADIE MAY SIEGLE.
Sadie May the three years old daughter of Mr. and Mrs. Charles Siegle of Newark died Sunday afternoon at a short illness. The funeral will take place from the home at 1 o'clock Tuesday. Interment in Cedar Hill cemetery.

ROBERT BROOKER.
Robert E. Brooker, aged six years, the son of Mr. and Mrs. R. J. Brooker died Monday morning after a short illness. The remains will be shipped to Mansfield for interment, Tuesday morning over the B. & O.

CARD OF THANKS.
We desire to thank our friends and neighbors who assisted us during our bereavement. Also to the choir of Liberty M. E. church. Mrs. Chester Gossnell and family.

Long & McCammet, undertakers; phone 459. 10-4-tf

CHARGES FOR OBITUARIES.
Readers will kindly take notice that obituary notices not exceeding 15 lines in length are published without charge. Notices exceeding that length are charged for at the rate of 5 cents a line, not counting the first 15 lines. 5-15-tf

STORE CLOSED INDEFINITELY

The Bloomberg South Third Street Store Will Remain Locked Until Further Orders.

Mr. A. C. Brand, manager of the Bloomberg clothing store, this city, received a telegram Saturday evening instructing him to close the store simultaneously with the closing of the stores belonging to the same firm in Massillon, Orville and Canton. Promptly at 10 o'clock the doors closed and the store was locked indefinitely. The clerks and employees were ordered paid off and this request was complied with. This action is a result of a disagreement between the principal stockholders regarding a readjustment of the holdings of the stock. It is believed that for some time an effort has been made by Mr. Bloomberg to dispose of his interests in the four Northern Ohio stores or purchase the interests of the other stockholders. The stores will remain closed until the stockholders can be got together and a settlement is reached.

Pictorial post cards cut a great figure in the Post-Office canvases in Great Britain. They were used by the million.

It is announced that the Newark telephone inspectors in the New York city during 1905 was 35,000 instruments.

LITTLE LOCALS

LIGHTING. for correct eye glasses and spectacles. 31 1-2 South Park. Room 4. 22dtf

Valentine Social.

There will be a Valentine box social at Polk Stalk school house Wednesday evening February 15. Everybody come. Girls bring boxes.

Box Social.

There will be a box social at Summit (or Short Hall) school house on Friday evening, February 9, for the benefit of the library. All come.

Buyers a Saloon.
Six, twenty law number has purchased the saloon and restaurant at 37 South Second street, which has been conducted by William Bader.

At Central Church of Christ.

The Pastor's Advisory committee will meet at church Tuesday afternoon at 2 o'clock. It is important that every lady be present. Let no one fail to report.

Social at Mrs. Eberle's.

Social, afternoon and evening, on Wednesday, February 7, at Mrs. Geo. Eberle's, 24 North Cedar street. Sale of useful articles. Benefit of Church of the Blessed Sacrament. 5-3t

Doctors' Meeting.

The Licking County Medical Association will hold its regular monthly meeting in the court house Tuesday afternoon, February 6 at 3 o'clock. Papers will be read by Doctors Foster and Shiner.

Missionary Meeting.

It is requested that the ladies of the Woman's Home Missionary Society meet tomorrow afternoon at 1:30 o'clock in the parlors of the First M. E. church to attend the funeral of Mrs. Bourner.

Arm Amputated.

William Kreider, who was hurt at the Jewett Car works Saturday morning and removed to the Newark Sanitarium had the injured right arm amputated Saturday evening. He is resting as comfortably as could be expected under the conditions. Drs. Wylarch and Knauss performed the operation.

Meeting of the S. N. Club.

The S. N. club met Saturday evening with Mrs. Kate Kammerer. Progressive Pedro was played at three tables. The first prize was won by Mrs. Larry Rogers, a piece of drawn work and the consolation by Mrs. J. G. Shiller. The members of the club are Mrs. William Heiple, Mrs. George Tabler, Mrs. J. G. Shiller, Mrs. George Streams, Mrs. Harry Rogers, Mrs. Kate Kammerer, Mrs. Gerard Besancony, Miss Mamie Heiple, Misses May, Lillian and Emma Kammerer.

McHugh is From Newark.

Frank McHugh, one of the men captured in Columbus Saturday evening on a charge of being an accomplice in a sensational holdup, is a former Newark man. McHugh is known among the sporting fraternity here as an amateur prize fighter, and lived here several years ago. McHugh is being held as an accomplice in the robbery of W. A. Watkins last Saturday night in Columbus. Watkins was recently awarded damages in the sum of \$1,500 for injuries received in an accident and it was this money that the robbers took after rendering the victim unconscious by a blow on the head.

A Prize Goose.

Mr. E. L. Swick, a farmer residing in Eden township, claims to have the prize goose of the country. Judging from the record of this remarkable bird, he has every right to the claim and it is up to some other Licking county man to bring a story to beat this one. This goose does not lay golden eggs but is none the less valuable. During the winter months her goosehood has rewarded her master with 13 eggs. This is an egg every other day for the entire winter. This is considered a remarkable record for a goose and those who are familiar with poultry can better appreciate the remarkable industry of this bird. The goose is of the Tullio variety.

Charges of Accident.

Charges of accident insurance in the case of the late Mrs. W. A. Watkins, who died last Saturday night, were paid by the insurance company.

FOR SALE.

By the Ladies Association of Plymouth church: Aprons, Dust Caps and Sleeve Protectors. Orders will be gladly received for the above. See any lady of the church or phone White 511. 11

DISOLUTION NOTICE.

Snake editors, says the Findlay Courier, are working overtime keeping up with the serpent stories that are floating round. Good snake stories are usually scarce in January, but this year the supply exceeds the demand.

From the zeal he displays in trying to find another job for President Roosevelt, against the flush of his present one, Jacob Rills must fear that the Roosevelt is in danger of "going on the county" if the head of the family doesn't find work.

January 19, next year, will be the one hundredth anniversary of the birth of General Robert E. Lee, commander of the Confederate forces whose surrender was made at Appomattox to General U. S. Grant of the Union army. The names of these two generals foes in war but friends in the time of peace that followed and generals who showed the American fighting qualities, are linked by the son of the Union general who proposes that the anniversary of the birth of the Confederate be celebrated as a national memorial day. Time has closed the breach between the North and the South and the feeling that once existed is but a memory.

HOCH APPEALS
TO THE PUBLIC

Condemned Chicago Wife Murderer Says That His Execution Would Shame Even Russia.

Chicago, Feb. 5.—Johann Hoch, condemned to die in February, issued a public statement Saturday in a final appeal to arouse sentiment in his behalf.

The statement was sent out by the prisoner from the county jail in the afternoon. Hoch declares that he appeals only for justice. Upon the Supreme court hinges his only chance for life. The affidavits of Emil Fischer-Hoch which alleges that she testified falsely at the trial, have been forwarded to the court. Upon the strength of these affidavits Hoch wants another hearing.

The letter is, in part, as follows: "The voice of the people is the voice of God. Will the liberty loving public tolerate such a shameful way of justice as is shown in the case of Johann Hoch, where Illinois authorities have adopted such methods which would shame darkest Russia on the twenty-third day of this month?"

"The powerful state's attorney's office could proceed against Mrs. Hoch criminally for perjury. Justice commands that a conviction must rest upon the truth.

"The principal witness, whose testimony more largely contributed to my conviction than that of any other witness, now, of her own free will and under oath, swears that she swore my life away by falsehood, and lays the blame on Inspector Shipley and Assistant State's Attorney Olson.

"In view of this I appeal to the sense of justice of the American people. Must I die an innocent man, on the 23d of this month in order to satisfy those who have falsified against me? "I was alone, without money, without friends, forced to make this terrible struggle with these awful odds against me."

A steel chimney 260 feet high was recently successfully completed in South Wales. It is the tallest of its kind in the world.

During 1904, Germany exported steel pens to the value of nearly 475,000 marks. The heaviest buyers were Switzerland and Austria.

AFTER GRIPPE

Or Any Severe Sickness Druggist F. D. Hall Advises Newark People to Take Vinol.

Mrs. S. C. Berry, of Middleton, Conn., writes: "The gripe left me in a very weakened condition, no appetite, thin, nervous, no vitality and a bad cough. I had hemorrhages, and nothing seemed to help me. I read of what your cod liver oil preparation, Vinol, had done for others and decided to try it. I found that it soon gave me a hearty appetite; my cough disappeared; my health and strength returned until I felt like a new creature. I consider Vinol a wonderful medicine, as it makes strength and vitality so fast."

Our local druggist, Mr. Frank D. Hall says, "We have never sold in our store a more valuable strength-creator and health restorer for the convalescent than Vinol. This is because Vinol contains in a concentrated form all of the vital principles of cod liver oil, but without a drop of oil to upset the stomach and retard its work."

Vinol tones up the digestive organs and renews the strength of every organ of the body.

We ask every person in Newark who has been ill to try Vinol on our guarantee to build them up and make them well and strong. We return money if it fails." Frank D. Hall, druggist.

ABOLITION OF
THE SHOT GUN

Is the Latest Measure for Protection of Game—Bill That Will Interest Farmers.

Columbus, Feb. 5.—Representative Dittmars, member of the House from Holmes county, has taken a stand in favor of reforming the game laws of Ohio that stamps him as a friend of the farmer. The bill he has introduced, too, is the most practical and substantial measure for the real protection of game that has yet been brought forward in the history of such legislation.

Representative Dittmars' bill proposes to prohibit the use of the shotgun in the killing of game birds, squirrels and rabbits, and the bill has passed to its second reading. In a signed statement explanatory of his bill, Mr. Dittmars says:

"When we consider the scarcity of our game and how that, with the modern shot gun and pump gun, it requires but a few days of open season to clear our fields of our game; and in view of the fact that our shot guns will not spoil if laid by two or three years and that an efficient rifle costs but a nominal sum, and that the use of the same will make better marksmen of our men, why, for all we know, may come in handy, especially so long as we are to have a large navy, I am inclined to believe that a measure of this kind in operation two or three years would be a square deal to the three parties concerned, viz: The sportsman, the farmer and the farmer's game. I do not hesitate to use the term farmer's game for if the game on the farm is not the farmer's, to whom then does it belong? Certainly not the sportsmen of the cities."

"If we farmers want our game protected we must stand for a law that will protect. Game has little chance to escape under the fire of the modern shot gun. And to heap further abuse upon the farmers, the Remington Arms Company have lately placed upon the market an automatic shot gun that shoots six times in quick succession without taking the gun from the shoulder and as fast as the operator can pull the trigger. How the market shooters and nimrods of the game bag will rejoice in this new shot gun! This gun is unfair and an outrage upon the farmer and the game of his fields. The man or company who harbors about his store rooms for sale any such shot gun of this type to be used upon the farmer's lands must be considered unfriendly to the farmer and not deserving of the farmer's patronage."

"The defenders of the automatic shot gun may talk all they please about limiting the game bag. I refuse to be deceived by this talk. Unless a game warden be sent out every day and with each individual hunter there is no such thing as limiting the bag on small game."

"The report of a rifle will be clearly distinguished from the report of a shot gun, and the rifle will protect the birds; it will give the rabbit a chance to look out for himself."

The stock argument that has been put up by sportsmen for years is that game should be protected by the passage and enforcement of laws that will give birds and other game a chance for their lives. But what chance has a flock of birds at the mercy of a pair of bird dogs and an automatic pump gun in the hands of an expert sportsman?

What better measure for genuine protection of game could be suggested than the prohibition of the shot gun, or at least the wholesale pump gun, from the farmer's fields and woods?

Thousands Have Kidney Trouble
and Don't Know It.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do.
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and sealding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest of its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail.

Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this issue. Don't make any mistake, but remember the name, Swamp-Root. Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

STATE OF OHIO

Will Receive the Gun From Which the Last Shot of the Civil War Was Fired.

Rockyford, Colo., Feb. 5.—The gun from which the last shot in the late Civil war is declared to have been fired, and which is owned by James Burson of Rockyford, will be presented to the State of Ohio and placed in the relic room at the state capitol at Columbus.

Burson has written to State Senator Crist of Zanesville, that he preferred to give it to the state rather than to Oberlin college, Western Reserve or other institutions which have been seeking the famous firearm.

The weapon was carried by Burson while a private in the One Hundred and Fourth Ohio, over 3,000 miles. It is an old English weapon and was fired last when Governor Moorehead of North Carolina, surrendered, which event closed the war.

CONTEST OVER ST.
DOMINGO TREATY

CARRIED TO FLOOR OF SENATE BY MR. PATTERSON.

Who Said That Recent Caucus Was an Attempt at Coruption—The Resolution Went Over.

Washington, Feb. 5.—The contest over the Santo Domingo treaty, which was brought to a crisis by the recent public advocacy of its ratification by Mr. Patterson of Colorado, was carried to the floor of the Senate today by Mr. Patterson. He introduced a resolution reciting the holding of a caucus by the Democratic senators at which resolutions were adopted bringing members to vote against its ratification, and characterizing such action as a violation of the constitution and as an attempt at coercion, which, if permitted to prevail, might deprive a state of proper representation in the Senate and tend to force a senator to violate his oath of office.

Surprise, astonishment, consternation and indignation were successively mirrored upon the faces of Patterson's Democratic colleagues. Senator Tillman objected. The resolution went over until tomorrow.

"I suffered habitually from constipation. Doan's Regulites relieved and strengthened the bowels so that they have been regular ever since."—A. E. Davis, grocer, Sulphur Springs, Texas.

GRANVILLE NEWS

Granville, Feb. 5.—Sunday morning and evening Dr. Emory W. Hunt, president of Denison university, very capably filled the pulpit of the Baptist church. Dr. Hunt's sermon on both occasions were powerful and far reaching in their effects.

Miss Lois Field of Shepherdson College left Saturday for her home in Ft. Wayne, Ind., from which place, in a short time, the family will move to Redlands, California, where Rev. Mr. Field will be installed as pastor in the Baptist church of that place.

Justin Waddell of Chicago, will register in the Freshman class at Denison this semester.

Miss Clara Harris of Wilmington, O., who has been visiting friends here for several days, has returned home.

Lawrence Miller, a prominent young attorney of Chicago, was in the village a short time Saturday.

AUSPICIOUS

Was the Opening of the Evangelical Meetings at the Central Church of Christ Sunday.

The evangelistic meetings began Sunday at the Central Church of Christ with splendid interest. There were several additions and the attendance was large at both services, every seat in the entire building being occupied in the evening. There will be services each evening this week except Saturday, beginning at 7:15 with song service. A chorus of 10 voices leads the singing. All are very cordially invited. Sermon subject tonight "The Man of One Idea." Come.

Hazing Cases.

Annapolis, Md., Feb. 5.—The action of the president in pardoning Midshipman John P. Miller of Lancaster, Ky., who was convicted of hazing by court-martial, was promulgated at dinner formation at the naval academy and Miller resumed his position as captain of the Twelfth company. The navy department has asked further information relative to the cases of Midshipmen Stephen Decatur, Jr., of Portsmouth, N. H., and Peterson B. Marzoni of Pensacola, both formerly members of the first class.

Meeting of Teachers Association.

The third quarterly meeting of the Licking County Teachers' Association will be held at the High School building, Newark, Ohio, Saturday, February 10th. The meeting was announced to occur at Hebron but the arrangements were changed. The program follows:

10 a. m.—Address by Supt. C. L. Riley, Kirtersville.

Paper—Miss Martha Turner, Utica. Round Table—1. Can Whispering be Stopped? How? 2. What Penalty, if any, do you fix for Story Telling? 3. Should a person who teaches one year receive the same salary as the teacher who gives his life to the work?

Address—English in the School. Prof. Wilson of Athens, O.

AFTERNOON SESSION.

1 o'clock.—Address, Supt. McKinnon, Granville.

Address—How to teach Geography. Supt. Simkins, Newark.

Address—Prof. Wilson, of Athens.

"Happy Week"

We Announce the Merriest, Jolliest, Most Enjoyable Occasion of the Year to Open
TUESDAY AT 9 A. M.

If there is anyone within one hundred miles of this store who feels blue—they should come here—to be made happy. We're going to hold a "Happy Week"—a sale that is pleasantly unlike any sale event you've ever known. You smile at the name—and the idea—already.
You'll smile for a very different reason within thirty seconds from the time you enter our doors.
How will we do this? How do we expect to send hundreds and thousands of people away smiling?
Very simply—and effectually—by selling to each visitor during "Happy Week" one or more needed articles for prices that will insure so much real and unusual saving that the merriest kind of a smile will be the natural and sure result.
All broken lines—all short lots—every garment—every yard of goods, every bit of merchandise, thus assembled will be worth every penny it was the day before "Happy Week" struck this store—and the whole store will turn into the biggest kind of a bargain bazaar.

This will continue for one week—as the bargain lines become still shorter, new "specials" will be added, that the jollity of the sale may continue until the last moment of the sale has passed away, and Happy Week is only a memory—to be recalled, WEEK BEGINS AT 9 O'CLOCK TOMORROW MORNING.

That tailored suit you want isn't going to squeeze your pocketbook if you buy it during this happy week. Some \$10.00, \$12.50, and \$15.00 Suits for \$4.49
Some \$12.50, \$15.00, \$18.00 and \$20.00 Suits for \$7.50

NOTIONS—to laugh, 3c, 5c and 8c Hooks and eyes

NEWARK'S BIG DEPARTMENT STORE

NEWARK MAN

To Wed Well Known Mt. Vernon Girl—Engagement Has Been Announced.

Mr. and Mrs. James Millard Claypool have announced the engagement of their daughter, Miss Frances Marie Claypool, and Mr. Shirley Fleming Berry of Newark, O. The wedding will occur Wednesday afternoon, Feb. 11, at 4 o'clock at the home of the bride's parents on East Hamtramet street.—Mt. Vernon Republican News

HIGHWATER.

The funeral of the late Chester Gosnell took place Sunday at Liberty church, Rev. E. L. Hart of Chatham, officiating. Mr. Gosnell was an old resident of this place having been born and brought up in this neighborhood. Mr. Gosnell was about 82 years old, and has enjoyed fair health until about a year and a half ago. He will be greatly missed by his own family, friends, as well as by his own family, for he was a good, upright, honest man, ever ready to lend a helping hand to the sick and needy. He leaves, besides a large circle of friends and relatives, a wife and two children, Somers Gosnell and Mrs. Morrison Clarke of this place.
Mr. Albert Gosnell of Columbus, and Mr. and Mrs. Warren Edwards of Newark attended the funeral of their uncle, Chester Gosnell last Sunday.
Mrs. Marion Powers, who has been quite ill, is reported some better at this writing.
Mrs. P. H. Barber has returned

home after a weeks visit in the neighborhood of Union Station.

Mrs. Mary Ann Johnson has been quite sick at the home of her son, Will Johnson.

Mr. and Mrs. Charles Willard celebrated their first wedding anniversary Thursday, February 1st at their home in Fredonia by entertaining a few friends and relatives at supper.

NOTICE TO COAL USERS.

Having established a branch coal yard in the West End all orders telephoned to cement works or given to P. H. Goff on the wagon, will receive prompt attention. J. L. BENNER, 31-cod-6t

American Professor Dropped.

Peking, Feb. 5.—Yuan Shih Kai, viceroy of Chih province, has discharged Professor C. D. Tenney, the foreign director of education, who organized the new school system in this province and within three years made it a model for the empire. Strong opposition has arisen lately to foreign management of the schools, and particularly against Dr. Tenney, because he is an American. Yuan Shih Kai told Dr. Tenney that he appreciated his work, but Yuan Shih Kai has so many enemies that he could not afford to keep him. The boycott against American goods is being revived. When it began Mr. Rockhill, the American minister, and the American consuls urged the Chinese to wait until Congress had time to act on their demands, and the failure of Congress to do so has aroused their resentment.

BANK DIRECTORS NOT HELD LIABLE

Lisbon, O., Feb. 5.—The Ohio Supreme court established a precedent in affirming Saturday a decision of the Common Pleas and Circuit courts of Columbiana county in the case of Charles H. Mason against John McVicker, J. K. Frey and Dr. William Moore, directors of the defunct First National bank of Lisbon, holding that bank directors are not liable beyond their liability as stockholders for not knowing the condition of a bank, which is wrecked a few months after the publication of the annual statement by a defaulting cashier. Mason alleged that he bought stock shortly before the failure on the strength of the directors' report.

HOMER.

Mr. James Broughton and Mr. W. Twizel attended stock sale at Johnstown last Friday.
Mrs. Sadie Vore is visiting with Mrs. A. Gregg part of this week.
Protracted meeting will begin about the 11th of February at the Presbyterian church.
Mrs. Dillie and her mother were the guests of Mrs. Ruth Shredder one day last week.
Misses Kathleen, Cad Glassford, Lydia Sellers were the guests of Gus Dunlap Wednesday.
A business meeting was held at the

Baptist church Saturday and new trustees were elected as follows: Mr. William Hayes, Mr. Roy Hayes, Mr. Frank Day.
Mr. and Mrs. Earl Harris are going to occupy the residence of Mr. and Mrs. Ben Quick about a mile and a half west of home.
Mrs. Martha Lukins visited Mrs. P. O. Yeakum Monday.
Mrs. Sadie Vore is visiting friends here this week.
Mrs. F. O. Yeakum and Lydia Sellers were the guests of Mrs. Fay Bowman.
Misses Kathleen and Carrie Glassford visited in Mt. Vernon Saturday.
There will be services at the Baptist church Sunday night.
Lydia Sellers has returned from Columbus after a week's visit with friends.
Mrs. George Robinson is on the sick list this week.
Mrs. Fay Bowman is visiting her mother near Mt. Vernon this week.
Mrs. Mary Bayen of near Louisville, is visiting Mr. Ellen Row this week.
Mr. Lant Lantano was in Africa on Monday.

Can you believe your senses? When two of them, taste and smell, having been impaired if not utterly destroyed by Nasal Catarrh, are fully restored by Ely's Cream Balm, can you doubt that this remedy deserves all that has been said of it by the thousands whom it has cured? It is applied directly to the effected passages and begins its healing work at once. Why not get it today? All druggists or mailed by Ely Bros., 56 Warren street, New York, on receipt of 50 cents.

JAMES HARVEY BADLY HURT

Engineer at Ice Plant Fell and Sustained Broken Wrist and a Number of Other Injuries.

James Harvey, the engineer at the ice plant, was badly hurt at 2 30 Sunday afternoon. A valve overhead in the ice room became out of order and while engaged in repairing it Mr. Harvey's footing slipped and he fell to the floor several feet below, sustaining a broken right wrist, and a number of bruises and cuts about the head. Bowers & Criss' ambulance arrived and Mr. Harvey was taken to the office of Dr. L. N. Palmer in West Locust street, where his injuries were given proper care after which he was removed to his home in Stanberry street.

Entertainment.

The Cunningham school literary society will give an entertainment Saturday evening, February 16, 1906, at the Cunningham school house. Program: Music: Ralph Hunt, "Two Happy Hearts"; Edith Walters, "Noble's Troubles"; Mary Meyer, "Grandma's Glasses"; Pearl Glass, "Paddle Your Own Canoe"; Carl Walters, "What I Would Do for Her"; Bertha Clark, "A Modern Belle"; Helen Harper, "Oomp World"; Janet Everett, "The Child's Centennial"; Lela Woodard, "Never Told a Lie"; music: Marie Glass, "Ben Franklin's

Head"; Merton Clark, "Billy Grimes the Drover"; Arthur Harter, "When Papa Was Sick"; music: Ernest Meyer, "The Cold-water Man"; Harry Clark, "Longfellow's Birthplace"; George Bumgardner, "Come Let Us Play"; music: Clarence Pivoniat, "Popping Corn"; Joseph Walters, "A Little Boy Went to Market to get a Wife"; Walter Woodard, "I Wish I Were Grown Up"; Russell Walters, "Little Fellow's Declaration"; music: W. H. Orr, "Hush, Admire!"; 10 cents; proceeds for library. Come everybody and laugh with us.

If it is a loose leaf ledger you are looking for call and see the one manufactured at the Advocate Bindery, if

MR. JAMES MILLS

And a Party of Automobilists Left on Sunday Night to Attend the Chicago Auto Show.

James Mills, the automobile dealer, left Sunday evening at the head of a large party of Newark men, to attend the big auto show which is being held in Chicago this week. The party consists of Ed Hibbert, Charles Rhoades, Sam Browne, Charles Mills and P. H. Gondall of the Hartford Rubber works, besides Mr. Mills. The show will close on next Sunday.
While the party is in Chicago Mr. Mills has arranged to meet his sub-agents there. He recently secured the management of Licking, Coshocton, Perry, Knox and Muskingum counties. His representatives in these counties consist of Mr. Ford of Somerset, Mr. Sanderson of Mt. Vernon, Mr. Fisher of Coshocton, and Mr. Fritz of Zanesville.
Mr. Mills has entirely remodeled his garage and has installed a thoroughly equipped 5000 pound elevator, an expensive drill press, a lathe and an air compressor. The second floor of the building which he now occupies will be used entirely for repairs and storage. He has ordered 10 Cadillacs, 15 of which have already been sold in the city.
V. Raymond Nold, organist and choirmaster, Trinity church, teacher of pianoforte and organ playing and singing. Residence 48 East Church street. Studio in Trinity Parish Parish House. 2-1m

IN THE WORLD OF SPORT

BOWLING LEAGUE FORMED AT LAST AND OFFICER CHOSEN

Newark Man on Board of Directors and on Officer List—Columbus May Give Way to Utica—Schedule Will be Made Out Today—Two Match Games on Music Hall Alleys Sunday Afternoon.

At last the bowling league is organized. The finishing touches were put on Sunday evening when representatives from Zanesville, Newark and Mt. Vernon got together at the Music Hall alleys and elected officers. Newark got in on the officer deal and Noel E. Armstrong, a member of the Music Hall Trojans bowling team was chosen vice president of the organization. The complete list of officers is as follows:

President, R. R. Russell, Mt. Vernon. Vice President, Noel E. Armstrong, Newark. Secretary-Treasurer, Thos. C. Fowler, Zanesville.

The board of directors will consist of the above mentioned officers and two other members chosen from the two remaining teams of the league. The league will consist of Newark, Mr. Vernon, Zanesville, Coshocton and either Columbus or Utica. It is preferred to have a Columbus team in the league on account of the railroad connections but a choice has not yet been made. Two teams are being considered besides the Utica Five. If Columbus can not enter the league, Utica will be taken in.

It was decided to play three games each week on the home alleys and three away from home. This will require each team to play 15 games with each other team in the league.

Each team in the league was required to post a cash guarantee that it would finish the season and to place in the treasury \$25. At the end of the season, this amount, \$125, will be divided among the three teams finishing highest for the season. The purses will be \$70, \$30 and \$25, being divided 60, 25 and 15 per cent.

The board of directors will compose the schedule committee and the games will be scheduled today. No games will be played among the league teams this week, although Newark and Zanesville teams each have games arranged for this week.

Sunday afternoon on the Music Hall alleys, the Trojans and the Zanesville Brunswicks met the Mt. Vernon Idlehours in two games. The

Idlehours lost out in both contests. The scores follow:

Newark—2253; Zanesville—141; Mt. Vernon—125; Coshocton—119; Columbus—119; Utica—119; Zanesville—156; Utica—123; Totals—715; 719.

Mt. Vernon—2226; D. Chase—150; Reynolds—125; H. Chase—152; Reynolds—152; Russell—109; Totals—775; 751.

Zanesville—2239; Armstrong—177; Fowler—129; Baker—163; Richards—163; Mercer—161; Totals—838; 721.

Mt. Vernon—2181; Reynolds—141; Russell—182; Baker—175; H. Chase—139; D. Chase—145; Totals—785; 691.

KENYON WAS GAME BUT DENISON WON

Gambler, O., Feb. 5.—The Kenyon basketball team was defeated by Denison here Saturday afternoon by a score of 29 to 29. It was a very close-foughted game and at the start things looked as though the Episcopians were going to come out victorious. The score at the end of the first half was 16 to 24 in Kenyon's favor.

The Denisonians got into the game the second half and played fast ball. Livingston played a star game throwing seven baskets and nine fouls. The line-up:

Kenyon (23)—Cro by H. Clarke; Stevens 3; Dunn 1; Brown 2; Denison (33)—Pine 1; Shoop 1; Livingston 6; Hixon 1; Coe 2. Score: First half, Kenyon 16, Denison 11. Baskets (first half)—Shoop 2, Coe, Livingston 2, Crosby, Stevens 3, Brown 4, Clarke. Fouls

failed (first half)—Livingston 6, Clarke 1. Baskets (second half)—Shoop, Pine 2, Livingston 5, Coe, Crosby 2, Stevens, Brown, Clarke, Fouls thrown (second half)—Clarke, 3, Livingston 5, Fouls failed (second half)—Clarke 6, Livingston 5. Total score—39 to 29. Officials: Referee—Collins of Kenyon, and Bookman—Timers—Craven of Denison and Cornell of O. S. U. Time of halves—20 minutes. Attendance 100.

NEWARK SHOOTERS

Capture Honors at Trap Shooting Event in Columbus Saturday.

Newark trap shooters carried off honors at Columbus Saturday afternoon in the mid-winter tournament given by the Columbus gun club. John Taylor of this city, who has been winning prizes of trap shooters all over the country, again carried off the honors, getting high score in the professional class. He broke 224 targets out of 250. Other Newark marksmen made the following scores:

Kiefer, 215 out of 250; Hulsizer 198 out of 250; King 123 out of 150; Meredith, 51 out of 75.

John Kiefer won third high average in the amateur class with a score of 215 out of 250. A high wind blew across the range all afternoon, making it well-nigh impossible for the marksmen to raise their guns high enough to score a break. Newark, Dayton, Hilliard, Centerville and Sunbury clubs were represented at the shoot.

HIGH SALARIES PAID TO PLAYERS

LAJOIE OF CLEVELAND GETS THE MOST MONEY FOR HIS SERVICES.

Salary Nearly as High as That of Germany's Largest Bank's President.

Who is the highest salaried baseball player in the world? That is the interesting question that has arisen since the report was sent out recently from Cleveland to the effect that Napoleon Lajoie had signed a contract for next season at a salary known to exceed that of any player in the National or American leagues. Just how much Lajoie draws down under his contract is not known, but is about \$10,500 a year, which is within \$2500 of what the president of the largest bank in Germany gets a year, and is more than many American bankers receive for an entire year.

But the Cleveland claim that La-

joe's salary is the "biggest" is denied in other cities. Without furnishing the figures to substantiate their assertions, Pittsburgh declares that Fred Clarke receives a higher salary than that called for in Lajoie's contract, while the New York Nationals maintain that John McGraw, the scrappy one, is better paid than the Cleveland Frenchman, and the New York Americans would save the fans believe that Willie Keeler is paid close around \$8000 per season.

That great baseball stars are worth the money paid them is shown in two ways—first, in their playing and managerial ability, and second, which is the "meat in the bone" to the managers, their great drawing power. Think of the effect the announcement that Mathewson is to pitch for the Cubs, whose money supports the game—how they fill the cars leading to the parks, almost lighting for the best seats. Then compare the lack of interest in the same feat when it is said that John Doe from the Bushes is to do the twirling.

CASE AND RESERVE MAY JOIN FORCES

Athletic Consolidation Removed in Cleveland—Leaders Will Talk Over Situation.

The amalgamation of the athletic associations of Case and Reserve which for many years has been the dream of the students, now seems to be a reality. Ed Kneen, president of the Case Athletic Association at Reser-

ve, who announced himself in favor of such a move, said in Wednesday's Press to the effect that the athletic fields of the two schools will be made into one again brought the matter up for discussion. The students of both institutions are heartily in favor of a union. They figure that the united schools could put better teams into the field and athletic contests could be arranged with more prominent teams. Plans are being formulated to have the athletic leaders of the two schools meet and talk things over.

Sharon Wants It Bad.

F. G. Bosford is anxious to get a team in the O. & P. league for Sharon. He wants in this league or none at all. That is the sentiment over in the steel town, and the sports are getting rather enthusiastic. They are of the opinion that they can get out a winning team, and say that they could make all kinds of money if a team able to trouble Akron and Youngstown could be organized. If McKeesport drops out Sharon will try and gobble up the franchise.

LEACH'S WIRE

Wasn't Plain to Hans Wagner the Pirate—Telegraph Was Not Accurate.

Little Tommy Leach, the famous Cleveland boy who plays the third base or in the outfield for the Pittsburgh team, had an experience in telegraphing the other day which he figures is the best original joke that has come to his notice in years.

Tommy was having a lot of sickness in his family and when doctors' bills amounting to \$783 came in with one visit of the letter carrier, he thought it about time to remind some of the friends to whom he had loaned money during the summer that something was due. Hans Wagner, the Pirate shortstop, was among the number to whom Leach sent the bill. Leach's message was: "Hans, I am in a bind and need the twenty. Good-bye."

Late in the evening he received this reply from the big Tenth:

"Twenty good reasons for what?" Tommy is still wondering whether the telegraph company does away with periods and capitals when transmitting messages, or whether Wagner fails to recognize marks of punctuation.

WINTER DIAMOND GOSSIP

One of the best known judges in Pennsylvania, Harold M. McClure, was at one time a star catcher, playing with the Boston and the Athletics of Philadelphia. He was also J. M. Ward's catcher on the Binghamton Club in 1878. Judge McClure has been on the bench since 1891.

It is thought that the four new baseball parks at Akron, Youngstown, Mansfield and Newark will be ready by October day. It is probable that all will be opened on the same day.

"Port" Phelan, who is to play with Akron next season will be one of the strongest pitchers in the circuit. He was with Akron two years ago and proved a puzzle for them all. Last year he pitched nine ball for Wheeling, W. Va., of the Central league. McKeesport is also having her

E. H. Brown on every box, 25c

troubles. The sports there are losing some of their enthusiasm since a few hardships are turning up. It is not yet known whether or not that town will be represented, although she did get a franchise.

Teddy Strood will again play third base for Akron. For a time Strood bucked on his contract and it looked as though he might play independently. His signed contract is now in the hands of the club owners and they are happy. Strood played a great fielding game at Akron last season, but hit only fairly well. A strange feature was that he always seemed to ball hard when playing against the Ohio Works team—Youngstown Wheelator.

Stump, who held down the first base bag for Lancaster early last season, has been with the Des Moines, Iowa team in the Western association.

Contracts have been sent out to all the old Lancaster players, but so far only two have returned the contracts signed—Winter and Kunkle. The contract of Maguire, the Cleveland pitcher, has also been received.

Mexico-St. Louis Special.

Geographically the two great North American republics are divided only by a shallow river that can be by no stretch of imagination be deemed a barrier in friendship and unity of interest they are indivisible. The United States and Mexico, bound together by sympathetic ties as nations which have fought and won the battle of human liberty, and still more closely allied in present day progress and development, will stand for all time shoulder to shoulder in the work that civilization bids them perform. Anglo-American and Latin American, of different tongues but one in heart and purpose. It is a spectacle for the world to wonder at and admire—present fact rather than the fond dream of an idealist. Notable to those of profound thought has been the steady growth of American interest in all that pertains to Mexico and her people.

The story in Wednesday's Press to the effect that the athletic fields of the two schools will be made into one again brought the matter up for discussion. The students of both institutions are heartily in favor of a union. They figure that the united schools could put better teams into the field and athletic contests could be arranged with more prominent teams. Plans are being formulated to have the athletic leaders of the two schools meet and talk things over.

OLD PEOPLE CONSTANT SUFFERERS IN WINTER

Most old people are great sufferers in winter. They are seldom free from pains or ailments of some description, because they are not as able to withstand the severity of the climate, with its damp, changing weather, as are their younger, more vigorous companions. Cold weather starts the old aches and pains; they suffer with chilly sensations, cold extremities, poor appetite and digestion, nervousness, sleeplessness and other afflictions peculiar to old age. With advancing years the strength and vitality of the system begin to decline. The heart action is weak and irregular, the blood becomes thin and sluggish in its circulation, and often some old blood taint that has lain dormant in the system for years begins to manifest itself. A wart or pimple becomes troublesome sore or ulcer, skin diseases break out, or the slight rheumatic pains felt in younger days now cause sleepless nights and hours of agony. There is no reason why old age should not be healthy and free from disease if the blood is kept pure and the system strong, and this can be done with S. S. S. It is a medicine that is especially adapted to old people, because it is made entirely of roots, herbs and barks, selected for their purifying, healing and building-up properties, and is very mild and gentle in its action. S. S. S. warms and reinvigorates the sluggish blood so that it moves with more rapidity, and clears it of all impurities and poisons. As this rich, healthy stream circulates through the body every part of the system is built up, the appetite and digestion improve, the heart action increases and the diseases and discomforts of old age pass away. S. S. S. cures Rheumatism, Catarrh, Skin Diseases, Sore and Ulcers, and all troubles arising from diseased blood.

GRAND MASQUERADE AT PALACE

From all indications, the grand masquerade on skates to be held at the Palace roller rink Wednesday evening, February 11, promises to be an immense success.

As this is the first masquerade on skates ever given in Newark, the management of the Palace is sparing no expense to make the occasion memorable. There will be 75 couples from Columbus among them Mr. Jack Henderson, who will give an exhibition of fancy skating during the evening, and Clyde Webber, Newark's expert skater, will also entertain with some difficult feats. Watch the papers.

THE READING HABIT.

The craze for statistics showing what people read and who their favorite authors are has extended to France. Among the peasantry interest in literature seems to be increasing. The peasants in very remote places read chiefly the local newspapers and the almanac, which in both France and Switzerland is a kind of popular magazine. In less isolated spots a great deal has been done for the people by the schoolmasters, who have organized literary clubs, where books are read and discussed and often borrowed. People of the humbler classes have begun to read works of history and fiction. It appears that Victor Hugo is by all odds the most popular author; but it is his prose, not his poetry, which the peasants admire. Alexander Dumas is next in their affections, and among the contemporary writers Zola, Daudet and Loti are the favorites. Some of them even profess to like Voltaire, although it is to be feared that this is only a pose. They fail to designate any of his works. Lemaitre is the favorite poet and Michelet the favorite historian. A liking for Victor Hugo's stories may not be a sign of fashionable taste, but it is better than the mad Philistinism which worships some of our literary dragons.—New York Evening Post.

FARMER'S INSTITUTE

Held a Most Profitable Two Days Session at the Alexandria Auditorium Last Week.

The eleventh annual session of the Alexandria Farmers' Institute opened at 10 a. m. Wednesday in the new Auditorium, with a large and interested audience assembled. Seldom is so good an attendance seen in the forenoon of the first day at any institute, and the management, and conduct of the institute throughout evinced the good work of the officers previous to and during the sessions. A striking feature of the attendance was the large percentage of ladies present. The speakers had no more interested auditors than these fair matrons. Mr. R. F. Taylor is no mistake as a president of an institute. His government was faultless and with clockwork precision. After the president's address of welcome State Speaker Lowell Roubush gave a talk on "Is It Profitable to Raise Horses?" He said it could be made very profitable if conducted on systematic lines; advised the farmer to largely confine his breeding operations to the heavy draft class, as they are not so likely to become blighted in colthood, while a slight blemish does not cut the selling price on the drafters as it does on the roadsters. They earn their keep from two and a half years up, are usually very easy to educate, and cost very much less to prepare for a top market than does the roadster. The breeder should have his ideal horse in mind and breed in regular lines to this end. Promiscuous crossing results in mongrel progeny, having little value. The highest priced drafter weighs 1800 to 2200 pounds and should be marketed before eight years old. Said the United States has as good horses as can be found anywhere on earth.

State Speaker M. C. Thomas spoke on "Problems of Soil Fertility," deplored the depletion of our soils by constant cropping and selling the product off the farm. These crops should be converted into a concentrated product such as beef, pork, butter, cheese, etc., before being sold. Then the problem of maintaining our soils in a very high state of cultivation would be an easy proposition. Said that common straw not only had a direct fertilizing value of about \$2 per ton, but had an equal value in putting the soil in good physical plight, so that the latent mineral compounds in the soil became active and of use to the crop. By chart he showed the gain of crop and money value of barn yard manure. Manure kept under cover was worth approximately \$3 a ton; where exposed in the yards for a considerable time, \$2. Barn yard manure is not well balanced, as it contains too large per cent of ammonia. Advises using commercial fertilizers carrying potash and phos acid only. Floats are the cheapest source of phos acid, and should be dusted over the manure in the stables, 40 or 50 pounds to the ton. It is not advisable to attempt to grow grain crops with commercial fertilizers alone. Humus in the form of barn yard manure, or a legume crop such as clover, plowed under must be added occasionally or the land becomes sodden and unproductive. Advises a short rotation in which some of the clovers are included as they secure the free nitrogen of the air and deposit it in the soil.

At the noon hour a splendid dinner was served by the ladies in the parlors of the Baptist church.

Afternoon Session.
Mr. Roubush spoke on "Noxious Weeds, and How to Destroy Them." He showed how much they cost the farmers of the United States annually in labor and damage to crops. Some weed seeds will lie in the ground many years and retain their vitality. Annuals are more easily destroyed than bi-ennials. A few seasons of thorough eradication will so reduce the crop of seeds and plants that

moderate attention each season will keep weeds under control thereafter. Patent weed antidotes are of questionable value. The hand spud is a sure remedy, if persistently used. Don't try to smother red sorrel with straw or manure. Salt the stock on it, the treading of the stock will kill it. Eternal vigilance is the price of victory over the weed nuisance.

Mr. Buxton Jr., read his prize essay entitled "How to Make the Farm More Attractive to Our Boys." He offered some sensible practical suggestions as to broadening their opportunities for home entertainment as one of the best means of interesting out boys in rural occupations and the farm home. The paper was certainly very creditable to its young author.

J. F. Keller spoke on the potato proposition. He is one of the oldest and most successful potato culturists in the state, and his writings and lectures on this crop are considered standard. He gave general directions for the culture and marketing of potatoes, and figures as to cost of production and profits of the crop.

The music, violin and piano, furnished by local talent entertained the audience with choice selections, receiving hearty encores. The cereal exhibit consisted of about 20 baskets of corn, 10 baskets of potatoes, 3 of oats, wheat, clover seed etc.

Mr. M. C. Thomas, Mr. Ramsdell and J. F. Keller awarded their prizes. Secretary L. S. Chadwick looked carefully after any details and deserves much praise. Everybody seemed to vie with each other in making this a good day, and it was.

REMOVAL NOTICE.

The Ohio Farmers' Insurance office has been removed over the Franklin National bank.
2-5-6-11-12 H. H. SHAUCK, Agent.

Soother itching skin. Heals cuts or burns without a scar. Cures piles, eczema, salt rheum, any itching. Doan's Ointment. Your druggist sells it.

FOUR THOUSAND QUARTERS FOR SILVER DOLLARS

Four thousand quarters, aggregating \$1,000, was taken from the Coshocton National bank Friday morning by Cashier Montgomery to Newark to be exchanged for silver dollars. It made an imposing pile of silver and it weighed heavily.

Coshocton banks complain that there is a mystery about silver dollars in this city. Local banks are shipping in from 1000 to 2000 silver dollars a month, each, and the supply is always diminishing. On the other hand the quarters and halves accumulate remarkably fast and they are glad to get rid of them. In Newark the banks are always short on halves and quarters and "long" on dollars. So today the Coshocton National and Franklin National of Newark are making a fair exchange.

But what becomes of all the silver dollars?—Coshocton Democrat.

SPEED CONTEST

To Secure the Award For Carrying Southwestern Mail.

St. Louis, Feb. 5.—A month's speed contest has commenced between mail trains on the Iron Mountain route and the Frisco-Missouri, Kansas & Texas road's combination to secure the government's award for carrying the southwestern mail. The speed contest will be continued daily for a month, and on the showing made the government mail contract for the southwest will be awarded. The objective point of each train is Dallas and Fort Worth, Tex., the Iron Mountain train running on its own tracks and the Frisco running over the Missouri, Kansas & Texas from Vinita, I. T.

O. C. LARSON

Former County Clerk Selected as Superintendent of the Hebron Public Schools Vice C. V. Bebout.

Mr. O. C. Larson, ex-county clerk, of this city, has accepted the position of superintendent of the Hebron public schools, made vacant by the resignation of C. V. Bebout, against whom charges had been made by Fred S. Cully, one of the members of the board, of grossly improper conduct toward one of the female pupils of the school.

PARENTS

Of Nan Patterson Rescued From the Third Floor of Their Burning Residence.

Washington, Feb. 5.—Mr. and Mrs. John Patterson, parents of Nan Patterson, with their daughter Helen and Mrs. Harriet P. Lowell, and their granddaughters, Olga and Helen Lowell, were carried from a window on the third floor down a ladder by firemen early Sunday morning. The flames had eaten away the stairs and filled the house with smoke when the family was awakened. Exit being cut off, the firemen upon their arrival, lost no time in hoisting ladders and rescuing the occupants from the burning building. None had time to dress and were badly chilled, until carried to a house of a friend, a block away.

The fire started in the furnace room under the basement stairs, supposedly in a pile of rubbish near the furnace. Eating its way through the beams, it quickly burned the stairs leading to the second and third floors.

Mr. Patterson, who is 70 years old and had been practically confined to his bed for eight years, was the first to be carried down in safety and taken to a neighbor's house, where he received medical assistance. Mrs. Lowell was the next to be helped down and was quickly followed by her daughters and Miss Patterson. Mrs. Patterson, who is 68 years old and weighs over 300 pounds, was the last to make the descent.

BULL FIGHT

For the Delegates to the Moroccan Conference.

Algeiras, Spain, Feb. 5.—Progress is being made slowly at the conference, the delegates now being apparently more in accord than at any previous time. The two nations most directly concerned, France and Germany, still seem loath to consider the serious issue—the policing of Morocco—though they have succeeded in satisfactorily adjusting the questions of taxation and customs duty.

The bloody spectacle of a bullfight in honor of the conference on Moroccan reforms was an interesting event. Crowds came from all parts of Andalusia to the vast stone amphitheater where the bullfight is, and more than 6,000 persons saw the fight. A box gaily decorated with the Spanish colors accommodated the ambassadors and officials of many countries. Most of the delegations to the conference were represented and many of the envoys were accompanied by their wives and daughters. The American and British delegates did not attend.

Ends In a Failure.

Vienna, Feb. 5.—The negotiations looking to the settlement of the Hungarian trouble ended in a complete failure, and Count Julius Andrássy, one of the leaders of the coalition parties, returned to Budapest after a lengthy interview with the emperor-king, who refused to accept the modified program of the coalition. Unless the coalition yields at the last hour this failure to reach an agreement must, it is thought, result in an effort by the crown to establish an absolutism in Hungary.
